### Fool's Day Foolishness

Kate and I have a long-standing bet regarding April Fool's Day. Whoever gets the other one first has to tell untruths all 24 hours the next day. It has led to some pretty funny situations, like the year I got Kate and the next day she was trying to sell a house to some hot prospects. She finally got out of it by convincing the buyers to wait a day before answering their questions. I thought she was pretty ingenious and the next year she got me, and I was stuck with lying to a new boyfriend. He never quite recovered and was soon gone.

One year I was determined to get Kate via the telephone. The next day was our favorite Bingo game and I wanted her to have to fib all evening or be forced to not talk at all.

I arranged for Connie to phone at 8 a.m., an unseemly hour to begin the day in my opinion. Connie told Kate that the Lotto ticket they had bought together was a winner and would she meet her for breakfast and a celebration. Of course I went along, and we convinced Kate, helping her mentally spend the money.

Then she tried to cash in the ticket only to discover it was a complete dud.

"April Fool," I said, shaking with laughter. "You believed it. I got you. I win the bet this year."

Kate reluctantly admitted this was true, but in the back of her mind I could see she was planning revenge.

The Bingo game was hopping with intense energy when we got there. Kate had been very quiet all day, avoiding having to lie. Now she was ready to talk to everyone.

"Come sit at our table," said Dave. "You like to sit with us, don't you?"

Kate turned and looked at me pleadingly. "Sure," I said. "Let's sit here, Kate."

"How come you are so quiet, Kate?" asked Benny. "What's wrong?"

"I just lost my last five hundred dollars in the stock market," replied Kate.

"What?" and "Oh, my," and "How did that happen?" came from all sides. Kate readily saw she had chosen the wrong lie to tell.

"Well, maybe it wasn't my absolutely last five hundred," she said, and I stared at her, determined to catch her in a truth.

Then Bobbi came swirling in to show off her new outfit and ask our opinion. "I really like it," I said. "That lavender does wonderful things for your eyes."

"How about you, Kate? What do you think?"

"It is perfect to wear to a fire," said Kate and nobody knew what she meant.

The Bingo game was nightmarish for poor Kate. She lied when someone asked her if she was on. She said she did not want an extra final blackout and then bought one, confusing the worker. She lied about how much she won.

"Are you coming next week?" asked Benny as we were leaving.

"Ask Reva. She makes all our decisions," was Kate's untruthful reply. Then she muttered on the way to the car. "You wait until next year. I'm going to get you so bad and it will feel so good." But I wasn't worried. After all, it had to be a lie.

## BINGO LAND

STORIES FROM THE REAL WORLD & CYBERSPACE

### Big Prize at Cow Chip Bingo

The Seminole County Athletic Booster Club held its bi-annual Cow Chip Bingo recently as a fundraiser for the student athletes at Seminole County High School in Donalsonville, Georgia. Almost two hundred squares were purchased for \$50 each, and there were three winners: two winning \$500 and a grand prize winner receiving \$5,000. A steer named Jimmy was borrowed from the Dave Lambert family to participate in the event. Jimmy did a fine job of picking three squares, proving he was well fed by the Lambert family. At the end of the wasteful event, Jimmy selected three squares. The first square had been purchased by Superintendent Mark Earnest, awarding him the first \$500. The second square Jimmy selected had been purchased prior by Mrs. Andrea Lambert, earning her \$500. The third and final square was the proud winner of \$5,000. Jimmy selected the square owned by Scott Mitchell of Clover Leaf Gin (a corporate sponsor of the booster club).

when someone gets five in a row on their bingo card, they yell bingo. The audience is as much a part of the show as the show performers. At a recent show the power went out, and the light-up bingo board went dark. Luckily, there was someone in the audience who was a spiritualist who ended up talking to the ghosts in the room. Audrey explained that when you let the audience get up there you never know what they'll do, and sometimes, they put on the better show than her crew!

### Veteran Caller Back on the Job

Bingo made its return to the Potawatomi Casino in Milwaukee in late in 2022 after having shut down because of the Covid-19 pandemic. That meant the return of Scott Keshena, who has been a part of the bingo for nearly three decades working as a professional caller. "I've called over a quarter million (games)," the 71-year-old Keshena said in a CBS 58 Milwaukee interview. "I still feel it. It's timing, rhythm, and I still feel like I call a good game." The job of calling isn't as simple as grabbing a ball, reading a number and moving onto the next. It takes dedication, attention to detail and a sense of pride in the work being done. "You have to be prepared," Keshena said. "You have to have a good attitude. The players deserve it and they demand it. You have to be accurate. You have to make a minimum of mistakes." The veteran game-caller hopes to continue at the Potawatomi bingo hall for years to come. "My idol was Vin Scully, the great Dodger broadcaster," Keshena explained. "He broadcast Dodger baseball until he was 88. Maybe I'll call Bingo until I'm 88. The people, the bingo players, they love this beautiful game," Keshena said. "It really is a beautiful game."

### Burlesque Bingo

The art of seduction can be a bit...cheeky. Just ask Audrey Deluxe, creator of the saucy striptease game show Burlesque Bingo, running monthly at the Mint Tavern in Las Vegas. A burlesque bombshell from New Orleans, Deluxe has traveled up and down the West Coast with her raucous and over-the-top bingo night. Burlesque Bingo is held on old-style game show set, and Audrey Deluxe has her Lucky Charms, who are like her very own Vanna Whites, and the audience plays bingo along with the stage performers. Audrey Deluxe calls and the Lucky Charms mark the board and,

## Morongo Earns Coveted AAA Four-Diamond Rating For 17th Year

The world-class Inland Empire resort continues to accumulate honors for its luxurious amenities and exquisite dining.

**MORONGO CASINO, RESORT & SPA** – For the 17th year, American Automobile Association (AAA) has once again awarded the Morongo Casino Resort & Spa with AAA Four-Diamond honors for 2023 as an adored destination in the Inland Empire.

“Morongo is thrilled to be recognized once again by AAA with a Four-Diamond rating for an amazing 17th year as we continue to provide our guests with an exceptional experience that exceeds their expectations,” said Morongo’s Chief Operating Officer Richard St. Jean. “Earning another AAA Four-Diamond honors is a wonderful validation of our ongoing efforts to be the best, year after year.”

Unlike online review sites, the AAA Diamond ratings evaluate the largest number of hotels and restaurants of any rating system, using professionally trained inspectors and published guidelines to conduct annual unannounced hotel and restaurant evaluations.

When a hotel receives AAA’s Four Diamond rating, this indicates that the property is upscale in all areas. Accommodations are more refined and stylish, and there is an enhanced level of quality throughout. The hallmarks of AAA Four Diamond hotels include an extensive array of amenities, a high degree of hospitality and service, attention to detail, as well as high standards for cleanliness and safety.

Out of the tens of thousands of hotels that AAA evaluates annually, only a small percentage receive the Four Diamond Award, making it one of the most prestigious awards in the hospitality industry.

Morongo is also home to the Cielo Steakhouse, a critically-acclaimed dining venue set atop Morongo’s 27-story tower – the tallest building in Riverside County. Having received a AAA Four-Diamond rating for 12 consecutive years, Cielo offers its guests spectacular views of the surrounding mountains and gourmet meals from a menu that features classic steakhouse fare and delectable seafood specialties.

Recognized by OpenTable Diners’ Choice as one of the most romantic restaurants in the Palm Springs area, Cielo accolades also include earning a coveted Wine Spectator Restaurant Award of Excellence from Wine Spectator magazine for the past seven years. The award recognizes Cielo’s extensive wine lists and sommelier-crafted pairings. [www.waterlanternfestival.com](http://www.waterlanternfestival.com) or contact support@waterlanternfestival.com

**Horoscopes for April 2023**

**ARIES (MAR 21-APR 20):** You'll need a clone to help manage your highly energized pace this month. A wild array of new ideas will capture your imagination. What's the best way forward? Time management will be crucial. Also, feedback and guidance from those closest to you. You're now a mascot for the saying: "Spring has sprung!"  
**Lucky Days:** 5 - 23  
**Lucky Numbers:** 4 - 44

**TAURUS (APR 21-MAY 21):** New relationships are forged in the most unlikely places in April. Your usual quota of physical magnetism is buzzing at a frequency that might actually keep you up at night. Use this new influx of energy to galvanize a project that's been simmering on the back burner since last summer. Show us what you've got.  
**Lucky Days:** 19 - 22  
**Lucky Numbers:** 10 - 50

**GEMINI (MAY 21 -JUN 21):** You're following two distinct energy channels this month. One involves creative inspiration; new facets of your imagination are ready to come into play. The other involves a struggle to organize your thoughts and plans to keep them on course to a successful outcome. Let your innate ability to manage novelty guide the way forward.  
**Lucky Days:** 21 - 27  
**Lucky Numbers:** 45 - 55

**CANCER (JUN 22-JUL 22):** Mars, the passion planet, stepped into your sign at last month's close. And this commences a new chapter in self-promotion. Most of last year found you listing options and possibilities for yourself with no clear-cut result. That's all changing now. Put on your running shoes. You're ready to race, and win.  
**Lucky Days:** 7 - 14  
**Lucky Numbers:** 3 - 58

**LEO (JUL 23-AUG 23):** For all of the natural exuberance associated with your sign, you also have a secret, shy side. April requires you to push past self-doubt and lay claim to your just rewards. High-octane energy is buzzing around you this month like a swarm of bees, find ways to tap into the flow—and let yourself shine.  
**Lucky Days:** 12 - 18  
**Lucky Numbers:** 5 - 28

**VIRGO (AUG 24-SEP 23):** Saturn, the work-hard planet, opposes your sign for a two-plus year transit. Relationships become the laboratory where you forge new plans for your future. This requires shifting your focus from the micro to the macro. Stepping outside yourself and into the world at large.  
**Lucky Days:** 8 - 13  
**Lucky Numbers:** 22 - 56

**LIBRA (SEP 24-OCT 23):** Your natural inclination is to find or establish harmony within your relationships. However, April presents you with a different, more complex puzzle. It's through disagreements (or misunderstandings) that you discover what's most authentic and valuable in your life now.  
**Lucky Days:** 2 - 10  
**Lucky Numbers:** 29 - 40

**SCORPIO (OCT 24-NOV 22):** The key word for April is discrimination. As is self-discipline. The latter sounds boring, but if you're serious about expressing your creativity in a way that generates results, you'll want to follow the guidance of your wiser self. Avoid overindulgence and unnecessary distractions.  
**Lucky Days:** 7 - 19  
**Lucky Numbers:** 22 - 35

**SAGITTARIUS (NOV 23-DEC 21):** You need a strong dose of objectivity this month—a way to show you the difference between an actual problem and fallout from your overactive imagination. Enlist a trusted friend or counselor to offer feedback; the type of wisdom that gets your feet back on the ground. Commonsense works wonders this month.  
**Lucky Days:** 9 - 11  
**Lucky Numbers:** 49 - 50

**CAPRICORN (DEC 22-JAN 20):** The power of transformation involves discarding what's unessential and championing the untried and original. You're influenced this month by outside forces that are difficult to identify and track. Still, find a way to align with this influx of creative power; you'll be pleased with its revelations.  
**Lucky Days:** 4 - 9  
**Lucky Numbers:** 22 - 44

**AQUARIUS (JAN 21-FEB 19):** Congratulations! Saturn, the planet of hard lessons and learning, has exited your sign. Life feels buoyant again, and you're in fine form. Where to start with this new version of yourself? By doing what you do best, working with your community to make the world a more equitable place for us to live.  
**Lucky Days:** 6 - 27  
**Lucky Numbers:** 20 - 48

**PISCES (FEB 20-MAR 20):** The gravitas you've required to bring your creative inspirations to life has finally arrived. Saturn is now moving through your sign for the next two years. You can no longer dodge or censor the deepest callings of your imagination. Now begins the process of "now or never." Are you ready to give way to your calling?  
**Lucky Days:** 2 - 9  
**Lucky Numbers:** 8 - 28
